

NHS Services We Provide

Pre-op & Post-op
Cataract Care

Cataract
Surgery

General
Ophthalmology

Glaucoma
Care

YAG Laser
Treatment

How to Refer

We accept NHS referrals via the following routes:

Leeds

- **Cataract & YAG:** Optometrists refer via SPoA to EyeV platform.
- **Other Services:** Optometrists same as above. GPs refer via NHS e-Referral Service as **ACES LEEDS** (patient must have had a recent sight test).

Calderdale and Kirklees

- **All Services:** Optometrists refer directly via email (aces.referrals@nhs.net).

Wakefield

- **All Services:** Optometrists refer via SPoA to EyeV or directly via email (aces.referrals@nhs.net).

Bradford

- **All Services:** Optometrists must contact the patient's GP who will refer via NHS e-Referral Service as **ACES LEEDS** (patient must have had a recent sight test).

For more details, visit the respective LOC websites.

Leeds - loc-online.co.uk/leeds-loc/

Calderdale and Kirklees - ckloc.org/

Bradford - bradfordloc.co.uk

Post-Operative Assessment

All patients should be advised to book an appointment with their optometrist for a post-operative check-up approximately **4 weeks** after surgery.

The optometrist will complete a post-op feedback form with updates on the patient's eye health and any further next steps that they would recommend. This can be submitted via the Primary Eyecare Services (PES) platform, OPERA, or our ACES Co-Management Partner Portal in areas where PES isn't available.

- If you are already registered onto our Partner Portal, you can submit your post-operative feedback form here:

partner.aces-eyeclinic.co.uk/login

- If you haven't yet registered your practice details onto our Partner Portal, you can sign up here:

partner.aces-eyeclinic.co.uk/aces-practice-registration

Leeds King Street: Second Floor, 14 King Street, Leeds LS1 2HL

Directions

ACES is situated in Leeds City Centre, a short walk from both City Square and the train station. The building sits on the doorstep of Trinity Leeds and the vibrant retail district. Close to Park Square, the clinic is on the loop road which is easily accessible from both the M62 and M1. When coming from the motorway, keep right on the A58 via King Street and Infirmary Street. Then turn right in to Croft's Court, the building is on the left hand side.

Parking

Leeds Railway Station car park is a 2 minute walk from the clinic.

By Train

Leeds train station is a 2 minute walk from the clinic.

By Bus

Both the 1/1B buses stop a 5 minute walk from the clinic.

Pre-assessments available in the locations below.
