### How to Refer

We accept NHS referrals via the following routes:

#### Sheffield & Rotherham

- Optometrists refer directly via email ([aces.referrals@nhs.net](mailto:aces.referrals@nhs.net)).

#### Barnsley

- Optometrist referrals are made via the local EeRS platform OPERA which integrates directly with the NHS e-RS system.

#### Doncaster

- Optometrists refer via SPoA to Evolutio.

For GPs, we are listed on the NHS e-Referral Service as **ACES SHEFFIELD MEADOWHALL**. Please note, GPs cannot refer unless the patient has recently had a sight test.

For more details, visit the respective LOC websites.

**Sheffield** - [sloc.org.uk](http://sloc.org.uk)

### Post-Operative Assessment

All patients should be advised to book an appointment with their optometrist for a post-operative check-up approximately 4 weeks after surgery.

The optometrist will complete a post-op feedback form with updates on the patient's eye health and any further next steps that they would recommend.

#### Barnsley

This can be submitted via the Primary Eyecare Services (PES) platform, OPERA.

#### Sheffield, Rotherham & Doncaster

This can be submitted via our ACES Co-Management Partner Portal in areas where PES isn't available.

If you are already registered onto our Partner Portal, you can submit your post-operative feedback form here: [partner.aces-eyeclinic.co.uk/login](http://partner.aces-eyeclinic.co.uk/login)
